

## ZBC Kids February Mission Project

Grades 1<sup>st</sup> – 5<sup>th</sup> are racing to raise food for our community for the entire month of February. Some children and families in Henderson do not have the luxury of 3 meals a day. ZBC Kids is going to spread the love this month! Each children's connect class has been paired with an adult connect class to help bring in food for the Backpack Ministry. Remember all items must be non-perishable. Here are some ideas: instant oatmeal, cereal, granola bars, peanut butter, peanut butter or cheese crackers, ramen noodles, canned soup, ravioli, fruit snacks, and microwavable mac-n-cheese. Each Sunday, Mrs. Morgan will weigh the tub of items and keep track of the weight. A chart will be displayed in the gym of the weights. Sunday, February 25, the winner will be announced in Worship Service. On Sunday, March 4 the winners will have a breakfast party with their helping adult connect class in the fellowship hall. May the odds be ever in your favor!!!!

If you have any questions don't hesitate to contact me!
